Dear Mr. [REDACTED]

We were pleased to learn that Mr. Dulles has recommended you for the lecture to the Command and Staff School on the purpose and function of the Central Intelligence Agency. I am sure you will be able to increase greatly our understanding of this vital organization.

Although Lt Colonel Bozarth, our Project Officer, has given you some information about the Command and Staff School, I am inclosing a brochure which will give you more of the details about your audience and the educational environment here at Maxwell.

Lt Colonel Bozarth will be in the Washington area during the latter part of this week and he will attempt to reach you at that time to discuss administrative details of your visit. If he is unable to reach you, or if any further questions have since developed, please feel free to call on us for assistance. The Montgomery, Alabama telephone number is 5-5621, Extension 71126.

My faculty and I are looking forward to meeting you in February.

Sincerely yours,
